

SECRECY AGREEMENT

1. I, \_\_\_\_\_, understand that by virtue of certain discussions in which I have participated in regard to a Government research project, I have been the recipient of information and intelligence which concerns the present and future security of the United States and which belongs to the United States. This information and intelligence together with the methods of collecting and handling it, are classified according to security standards set by the United States Government. I understand the provisions of the Act of Congress of June 15, 1917, (Espionage Act) as amended concerning the disclosure of information relating to the national defense and I am familiar with the penalties provided for violation thereof.

2. I agree that I do not now, nor shall I ever possess, any right, interest, title or claim in or to any of the information or intelligence or the methods of collecting or handling of it which has come or may in the future come to my attention by virtue of said discussions, but shall always recognize the property right of the United States of America in and to such matters.

3. I do solemnly swear that I will never divulge, publish or reveal either by word, conduct or by any other means such classified information, intelligence or knowledge, except in the performance of whatever duties I may undertake as a result of said discussions and in accordance with the laws of the United States and instructions of the officials of the Government with whom I now or may in the future deal in regard to the project under discussion.

5. I take this obligation freely, without any mental reservation or purpose of evasion.
